John F Kennedy Catholic School

7th November 2025

Welcome back! I hope you and your children had an enjoyable half term week. We begin the second half of this long term with darker evenings and shorter days, which can be rather depressing. However, there is much to look forward to in this busy period as we head towards Christmas, including the Gym & Dance display, our annual Presentation Evening and the Christmas concert. At this time of year it seems there are several events in quick succession: Hallowe'en, last Friday; All Saints' Day, celebrated in the Church last Sunday; All Souls' Day celebrated on Monday; Bonfire Night/Firework Night on Wednesday; and Remembrance Day next Tuesday. All these events are commemorative in nature, and mostly about bringing to mind people who have died. In celebration of the feast of All Saints, we pray for all those role models of the Church, who have been welcomed into heaven - many of whom died as a result of their conviction to their faith, but all of whom have inspired the body of the Church through the ages, even today, with the likes of St Carlo Acutis. The name of our Trust reminds us of this tradition of the Church, with most of the schools named after saints and many references to saints within each school - for example, the JFK house saints.

Yesterday representatives from all 14 ASCAT schools came together for a youth synod - a day on which to hear the voices of the students in our schools and to discuss the hopes and aspirations for our Trust in the years ahead. The day began with Mass at St Saviour's church in Abbots Langley and I was delighted to accompany 10 JFK students to the celebration: Jonathan Eder, Sara Stevlik, Amelia Sowa, Sophia Janes, Piotr Czarniawski, Andrew Hope, Adam Kandiah, Jakub Pawlina, Isabella Feijao, Sarah Abe. My thanks go to these students for being superb ambassadors for JFK - they all conducted themselves brilliantly. I am looking forward to hearing about the results of the day's discussions.

On the feast of All Souls' Day we remember those who have died and who are on their way to heaven. We remember, in particular, those known to us - family and friends - and pray for the happy repose of their souls. As is traditional, we have compiled a list of names that we would like to be remembered, and these names have been placed in a box in St Mark's church. These people will be remembered in prayers throughout the month of November, beginning with our Holy Souls House services taking place over this week and next.

At this time of year we join together with the traditional Catholic prayer for those who have died:

*Eternal rest grant unto them, O Lord, and let perpetual light shine upon them. May the souls of all the faithful departed, through the mercy of God, rest in peace.
Amen*

LIBRARY

We're looking forward to the rest of the term at the Library, especially as it gets closer to December and Christmas decorations can officially adorn the space!

On Wednesday a new craft club started at the Library and Mrs Cole was delighted to welcome a small group of students to decorate pebbles with special pens. It was a great opportunity to relax and be creative with friends. There were some beautifully designed pebbles and we look forward to seeing what the crafters will make next! (I'm hoping for some beautiful Christmas crafts to decorate the Library come December!)

Craft club is open to anyone in Year 7 or Year 8 and happens on Wednesday Week 1 at the Library. Speak to Mrs Cole if you are interested.

Myself and Mrs Jenkins have enjoyed reading the entries for the recent writing competition (winner announced soon!) and next week I will be launching the Christmas competition which will definitely include chocolate coins....

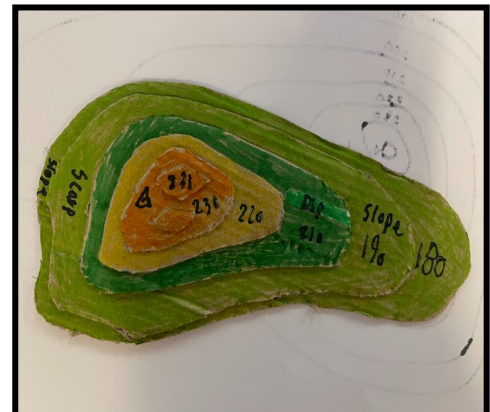

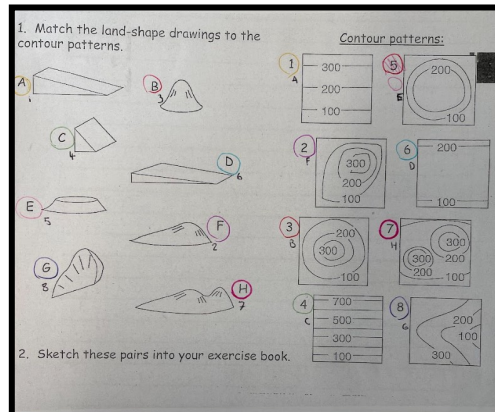

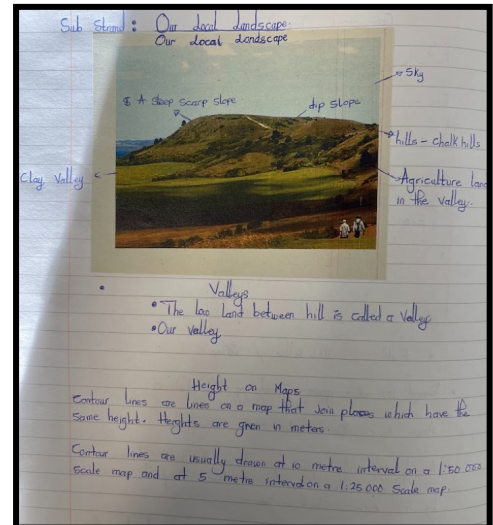

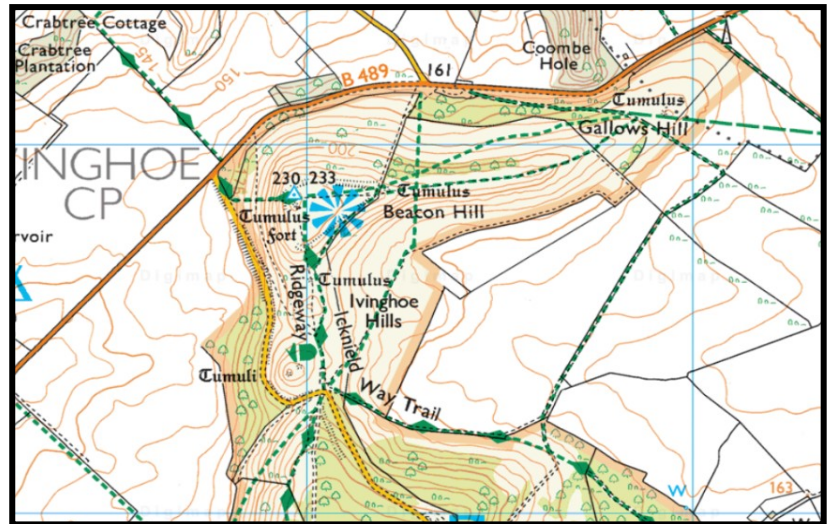

In the mean time, here's an opportunity to win a bundle of new Manga books <https://www.nationalbooktokens.com/win/win-the-ultimate-manga-book-bundle-for-children-and-a-national-book-tokens-gift-card> - I've entered too on behalf of the Library!

An Unbelievable Experience at Twickenham!

Thirteen of our Year 12 and 13 students recently had the incredible honour of taking centre stage at the world-famous Allianz Stadium, Twickenham. Invited to be part of the official pageantry ceremony, our students proudly supported the event team by carrying a magnificent rose banner onto the pitch.

As the England and Australia rugby teams made their way onto the field, our students stood tall on the pitch for the national anthems, representing the school with pride, professionalism, and enthusiasm. It was a truly unforgettable moment — one that few ever get to experience!

This unique opportunity came as a result of the group's victory in last year's 'Touch to Twickenham' competition, and it was a fitting reward for their dedication and teamwork.

Our students were outstanding ambassadors for the school throughout the event, and we couldn't be prouder of the way they conducted themselves on such a grand stage. It was a day that will live long in the memory — and an experience they'll never forget!

DIGITAL SAFETY

In today's digital world, apps are part of everyday life for secondary-age children. They offer creativity, entertainment, and social connection. However, alongside the positives come risks that parents and carers should be aware of.

Understanding the risks

Many apps collect large amounts of personal data, from location details to contacts, often without children realising the implications. Others expose young people to inappropriate or harmful content, whether through unfiltered videos, anonymous chats, or user-generated posts. Bullying and harassment can also take place within these platforms, sometimes hidden from parents and carers' view.

Another concern is the presence of online predators who may disguise themselves as peers in order to exploit children. On top of this, the design of many apps can encourage overuse through constant notifications and endless scrolling which can interfere with sleep, wellbeing, and school performance.

Financial risks also exist, with in-app purchases or "loot box" style features that can tempt children into spending money without fully understanding the consequences. Some apps may even appear harmless but are designed to hide conversations or bypass parental oversight, adding another layer of complexity for families.

Mrs McKenzie – Assistant Headteacher

DIGITAL SAFETY

What parents and carers should look out for

When your child asks to download a new app, it's worth considering a few key questions. What age is the app designed for?

- Does the rating match your child's stage of maturity?
- How much personal data does it request?
- Are the privacy settings easy to control?
- Does the platform have strong moderation and reporting tools?
- What is the community culture like?

You may also want to check how easy it is to make in-app purchases and whether parental controls are built in. Exploring these factors together with your child not only helps you assess the risks but also builds digital literacy, encouraging them to think critically about the online spaces they inhabit.

A trusted resource

To make this easier, **Internet Matters** has put together a clear, parent-friendly guide to the apps and platforms most commonly used by children today. It highlights what each app does, its key features, and the potential risks to be aware of.

You can find the full guide here: [Internet Matters – Apps & Platforms \(11–16\)](#).

This resource is regularly updated, so it's a reliable way to stay informed as new platforms emerge and existing ones evolve.

The NSPCC website also contains helpful advice regarding keeping children safe online - <https://www.nspcc.org.uk/keeping-children-safe/online-safety/>

Practical steps you can take

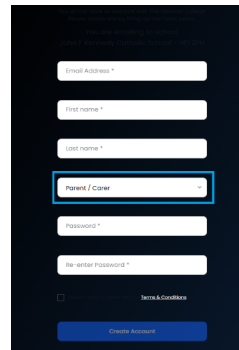

The most effective safeguard is open communication. Ask your child what apps they use and why, and take time to explore those apps together. Set clear boundaries around screen time and "offline hours" such as at mealtimes or after bedtime. Encourage your child to block or report users who behave inappropriately, and make sure location sharing is switched off unless absolutely necessary.

Apps can be positive spaces where young people learn, create, and connect. But without awareness and guidance, they can also present real risks. By staying informed and keeping conversations open, parents and carers can empower children to use technology safely and responsibly.

Mrs McKenzie – Assistant Headteacher

SAFEGUARDING IN FOCUS

We're delighted to let you know that John F Kennedy Catholic School has become a member of The National College – a multi-award-winning online training provider for staff and parents.

What does this mean for you?

As part of our membership, The National College provides dedicated training and resources for parents and carers – particularly, around online safety and keeping children safe online.

Online safety advice on any topic

Of course, staff will continue to teach children about the risks online. But with the internet so readily accessible, the most effective approach to online safety needs everyone involved, including parents and carers.

That's why you've now got access to **hundreds of courses, explainer videos and online safety guides** to support your awareness of the online world. Topics range from understanding apps like TikTok and Instagram to recognising the signs of online harm and what you can do to help.

Signing up is easy

Signing up to the platform is simple. Just follow <https://v2.nationalcollege.com/enrol/john-f-kennedy-catholic-school> and complete your details. You will be asked to enrol and enter some key details. As you enter your details it is important that you sign up as a parent/carer. Once you're set up, you'll get instant access to all training and resources.

Download the app for free

Another fantastic benefit of The National College is its National Online Safety app, which you can download for free. It gives you access to all their parent and carer resources on the go, whenever you want.

You can download the National Online Safety app using the links below:

ATTENDANCE EXPECTATIONS 2025

At John F Kennedy Catholic school, we believe that student performance, behaviour and attendance are fundamentally linked. Our ethos is to maximise the full potential of each student and in order to achieve this, high attendance rates are essential.

Our expectation is that individual student attendance should not be below 95%.

Section 7 of The Education Act states that 'parents are responsible for making sure that their children, of compulsory school age, receive a suitable full time education'.

Section 444 of The Education Act clearly states that 'if a child is absent without authorisation, then the parent is guilty of an offence'. This is a strict liability offence - i.e. all that needs to be shown is a lack of regular attendance. Sanctions can include a fine of up to £1000.

Holidays during Term time

Authorisation of absence for Holidays during term time is at the discretion of the Headteacher and is granted only in exceptional circumstances.

Fines are enforceable for a child being absent from school without permission. This is currently £80 per child for each parent, rising to £160 if paid after 21 days.

Lateness

As stated in the school Attendance Policy:

- Students should attend school "full time" and they should remain in school attending all timetabled lessons. This means that students should arrive in time for registration. In practice school buses may be late and in this case students should sign in at Reception so they can receive their mark.
- Avoidable lateness beyond 10.00 am constitutes unauthorised absence and can legally be the basis of an offence by the parent/carer
- Those students who arrive very late (after 10.00 am) without a good excuse will not be credited with an attendance. Their absence will therefore be unauthorised and a different mark (U) will be used to distinguish them from those who are "unpunctual". Steps will be taken by the school with the support of parents/carers to correct those students who are persistently unpunctual

Admissions Consultation 2027/28 Policy

The governing body is putting the [2027/28 Admissions Policy](#) out for consultation between 27th October 2025 and 7th December 2025.

The published admission number (PAN) for 2027-28 will be 180 and this has not changed from previous years.

The changes on which we are asking your opinion are:

- Criterion 2 applicants to provide a Certificate of Catholic Practice (CCP) to confirm children are practising Catholics
- Priority of siblings within criterion 7 - Catechumens and members of an Eastern Christian Church

We would be pleased to receive any comments on this to Ms E Final (Clerk to Governors) at the school address or by email to efinal@jfk.herts.sch.uk by 7th December 2025.

GENERAL NOTICES

Road Safety

Parents/Carers are reminded about the importance of road safety and we highlight a number of points you may wish to discuss with your child:

- The importance of crossing the road at a safe place. Using either a zebra or pelican crossing where possible
- Avoid crossing behind parked cars
- Never run out into the road
- Be aware of your surroundings – take out earphones and stop talking with friends or on the phone when crossing the road
- Have reflective items on jackets or bag.
- If cycling, follow the same instruction and make sure you have lights on your bike and wear a helmet at all times.

Disabled Parking Zones

Please can we ask that the disabled parking bays located along Hollybush Lane be kept clear . They are marked on the path and are needed to be accessed by local residents.

JFK enjoys good relationships with our neighbours and local community. Please be mindful of driveways and access in Hollybush Lane and neighbouring roads if dropping off/picking up your child from school. **Please also try and avoid leaving your car engines running outside of school.**

GENERAL NOTICES

Appointments During School

Please try to avoid making medical appointments during the school day. If this is not possible, please alert the Year Team via email with a copy of the appointment letter/email/screenshot at least 24 hours in advance.

If your child does need to leave for a pre-arranged medical appointment please ensure that they are aware of the time and date of the appointment and are instructed to be ready in reception to be collected. There have been a number of occasions recently whereby the office staff have had to search for a student in order for them to be picked up.

Illness During the School Day

We have seen an increase in students calling parents prior to seeking medical attention at school. Any student feeling unwell during the school day should report to Student Services where they will be seen by a medically trained member of staff. Please do impress upon your children the importance of the school contacting home if it is required during the school day. It can cause parents unnecessary worry which we would like to avoid.

ABSENCE

If your son/daughter is going to be absent due to illness please telephone the school absence line by 9.00am on each day of absence.
