

INSPIRE • ACHIEVE • SERVE

John F Kennedy Catholic School

23rd January 2026

“Ask not what your country can do for you - ask what you can do for your country.”

President John F Kennedy

20th January 1961

Pope Leo has declared 2026 to be a special year in the Church - a year dedicated to St Francis, whose 800th anniversary occurs in October. The year actually runs from 10th January this year until 10th January 2027. St Francis is very much associated with the natural world, writing very poetically about the natural environment and all God's creatures. Pope Francis took his name from this saint, and his document 'Laudato Si' - on care for our common home - takes its name from the song of praise written by the saint. St Francis is also closely associated with the theme of peace and a well known prayer is attributed to him: 'Lord, make me an instrument of your peace...'

All this is timely for us at JFK, especially as we have switched our Catholic Social Teaching theme this half term to 'solidarity and peace'. We are all very conscious of challenges we face in the environment in the 2020s and world peace seems an ever more distant ideal. This is also the week when we traditionally celebrate JFK Day, commemorating the day on which John F Kennedy was inaugurated as the 35th President of the USA. In assemblies this week I reflected on Kennedy's contribution to solidarity and peace - improving the lives of discriminated and marginalised citizens of America and beyond, and promoting peace during the Cold War. We also used this occasion to celebrate those members of the school community who are shining examples of our ethos, by awarding our new school colours. More details on this will appear in next week's newsletter.

Jesus' ministry involved sharing God's love and inspiring others to love their neighbour. A common expression he used was, 'Peace be with you.' Peace would be an obvious by-product of that love. This has been a week in which to focus on what we stand for as a JFK community - a place where kindness and respect dominate, where we show a commitment to supporting the traditionally underserved and where we model a community of peace.

I concluded assemblies with the prayer attributed to St Francis...

Lord, make me an instrument of your peace,
Where there is hatred, let me sow love;
where there is injury, pardon;
where there is doubt, faith;
where there is despair, hope;
where there is darkness, light;
where there is sadness, joy;

O Divine Master, grant that I may not so much seek to be consoled as to console;
to be understood as to understand;
to be loved as to love.

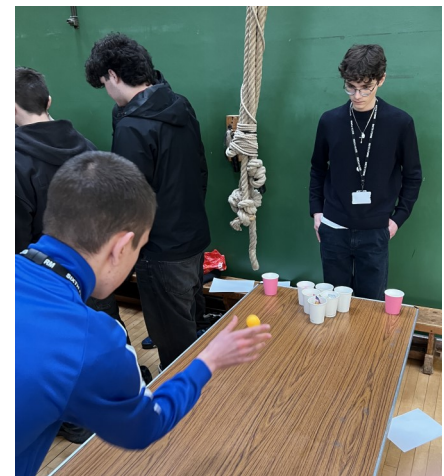

For it is in giving that we receive;
it is in pardoning that we are pardoned;

JFK DAY

The annual JFK Day celebrations, commemorating the inauguration of John F Kennedy as 35th President of the USA, were held today, Friday 23rd January. The school community were invited to participate in a non-uniform day to support school fundraising and a House charity event during the school lunchtime where our House Captains ran stalls and activities in support of the charities selected by our Year 9 students for their First Give competition in the Autumn Term:

- St Joan House - Kids in Action
- St Francis House - Safer Places
- St Kolbe House - Midshires Search and Rescue
- St Helena House - New Hope
- St Newman House - The Ben Kinsella Trust
- St Drexel House - Druglink

DRAMA

On Monday 19th January, our Year 10, 12 and 13 Drama students took part in an inspiring workshop led by Elinor Solly from Paperbirds Theatre Company as a way to inform theory work and inspire practical work. The students were incredibly excited to work with a professional company known for creating bold, socially engaged theatre and the session lived up to expectations.

The workshop immersed students in the kind of physical, ensemble-based practice that Paperbirds are known for. Through movement, voice, discussion and creative tasks, students explored how real-life issues and personal stories can be transformed into powerful theatre. Activities encouraged collaboration, confidence and risk-taking, while also developing skills in storytelling, character and devising from stimulus.

Students gained valuable insight into how professional theatre-makers research, shape and perform original work, as well as how theatre can be used as a tool for communication, empathy and social change. Many left with a clearer understanding of the devising process and a renewed enthusiasm for creating meaningful, purposeful theatre.

Overall, the workshop was an engaging and thought-provoking experience, leaving students motivated, challenged and inspired by the possibilities of contemporary theatre practice.

DESIGN & TECHNOLOGY IN ACTION

Our Year 7 students have been making an excellent start in Design and Technology this term, developing both practical skills and creative thinking across a range of projects.

In the metal workshop, students have been learning how to work safely and accurately with tools and equipment while shaping and finishing their own metal components. These lessons focus on precision, problem-solving and pride in making - skills that sit at the heart of Design and Technology.

Alongside practical work, Year 7 students have also completed a drawing and design assessment. This assessed their ability to communicate ideas clearly through isometric drawing, annotation and thoughtful design decisions. Strong emphasis is placed on creativity, accuracy and explaining how designs could be improved through iteration.

It has been fantastic to see students grow in confidence, independence and enthusiasm as they explore the design process. We're excited to build on these foundations as they continue their Design and Technology journey throughout the year.

Mr Bonner - Subject Lead Design & Technology

ENRICHMENT

This week, our Sixth Form students benefited from an engaging enrichment session with John Nolan, Area Manager at Lidl and a former JFK student (Class of '92). John shared an honest and inspiring account of his career journey, including the personal challenges he faced along the way, such as experiencing bankruptcy, and how resilience, determination, and learning from setbacks enabled him to turn his situation around and achieve professional success.

Students gained valuable insight into the realities of career progression, the importance of perseverance, and the skills employers value. John also spoke in depth about degree apprenticeships, highlighting the strong opportunities available at Lidl for students interested in retail, sales, marketing, and management. His talk offered practical advice and real-world perspective, helping students better understand the wide range of pathways available beyond traditional university routes.

We are grateful to John for returning to JFK to share his experiences and for providing such a motivating and informative session for our Sixth Form students.

Mr Wainman - Assistant Director of Sixth Form

PE

Well Done, everyone!

Huge congratulations to everyone who took part in House Sports last term! Your energy and competitive drive made the events a massive success.

This term, the competition continues with a brilliant mix of activities, including Basketball, Badminton, Gaelic Football, Table Tennis, and Fitness. Whether you're a seasoned player or a complete beginner, we want to see as many of you as possible getting involved and earning points for your House.

SCHOOL PRODUCTION - COMING SOON

Q&As with the Cast

Take 5

Ever looked at a good actor and wondered: "What's their favourite movie?"
Well here's your answers to your obscure questions!

We asked the Shrek Jr. cast these 5 questions:

1. What year are you in?
2. Who is your favourite character in Shrek?
3. What has been your favourite part of making the production?
4. What is your favourite movie/series? (excluding Shrek)
5. What previous experience do you have in Drama?

Week 2: The Donkeys!

These are the answers we received:

Emmanuel A

1. 10
2. Donkey
3. Socialising with others
4. Young Sheldon
5. Buggy Malone and Matilda plays

Piotr C

1. 9
2. Shrek
3. How everyone comes together as one cast
4. House
5. Matilda and Buggy Malone plays

A Level BTEC Business Students

CAREERS

From understanding apprenticeships to learning what it's like to work in different industries and acing your application, this fair is a great opportunity to explore your options and get your questions answered by the experts. Join live sessions with employers from across the UK and speak directly to their representatives to achieve your dream apprenticeship!

[To register for the Fair please use this link](#)

SAFEGUARDING IN FOCUS

At John F Kennedy Catholic School, safeguarding is at the heart of everything we do, and we work hard to ensure that every child feels safe, supported and listened to within our school community.

Our safeguarding team plays a vital role in this work. The team works closely with students, families, staff and external agencies to promote a culture where safeguarding is everyone's responsibility. Students and families can reach out to the safeguarding team for support. We recognise that parents and carers are key partners in safeguarding. We encourage families to familiarise themselves with our safeguarding approach, policies and procedures, which are available on the school website:

Safeguarding information and policies:

<https://www.jfk.herts.sch.uk/page/?title=Safeguarding&pid=82>

In addition, the school provides a range of **supportive links and resources** for students and families, covering areas such as mental health, online safety, wellbeing and external support services:

Support for students and families:

<https://www.jfk.herts.sch.uk/page/?title=Support+for+students+and+families&pid=100>

If you ever have a safeguarding concern, no matter how small it may seem, we urge you to share it. Concerns can be raised confidentially by emailing:

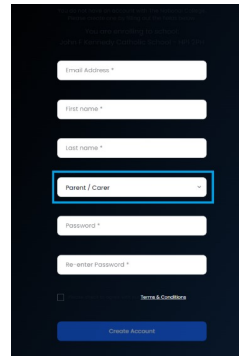

staysafe@jfk.herts.sch.uk

Letting us know about concerns, however small they may seem, allows us to offer the right support when it is needed. Working closely with families helps us maintain a safe, inclusive and caring school community where every child can feel secure and valued.

Mrs McKenzie – Assistant Headteacher

SAFEGUARDING IN FOCUS

We're delighted to let you know that John F Kennedy Catholic School has become a member of The National College – a multi-award-winning online training provider for staff and parents.

What does this mean for you?

As part of our membership, The National College provides dedicated training and resources for parents and carers – particularly, around online safety and keeping children safe online.

Online safety advice on any topic

Of course, staff will continue to teach children about the risks online. But with the internet so readily accessible, the most effective approach to online safety needs everyone involved, including parents and carers.

That's why you've now got access to **hundreds of courses, explainer videos and online safety guides** to support your awareness of the online world. Topics range from understanding apps like TikTok and Instagram to recognising the signs of online harm and what you can do to help.

Signing up is easy

Signing up to the platform is simple. Just follow <https://v2.nationalcollege.com/enrol/john-f-kennedy-catholic-school> and complete your details. You will be asked to enrol and enter some key details. As you enter your details it is important that you sign up as a parent/carer. Once you're set up, you'll get instant access to all training and resources.

Download the app for free

Another fantastic benefit of The National College is its National Online Safety app, which you can download for free. It gives you access to all their parent and carer resources on the go, whenever you want.

You can download the National Online Safety app using the links below:

- [App store](#)
- [Google Play](#)

They're always here to help

The National College has a brilliant support team if you have any questions. Their [help centre](#) provides a comprehensive bank of answers to most FAQs, but if you still can't find the answer you're looking for, you can always get in [contact](#) with them.

Mrs McKenzie – Assistant Headteacher

CYCLING SAFETY

Cycling to school is a great way for pupils to stay active and independent, but it's important that it's done safely.

We strongly encourage all pupils who cycle to wear a properly fitted helmet every day. Helmets can greatly reduce the risk of serious head injury in the event of a fall or collision.

It is important that:

- **The helmet fits snugly and sits level on the head**
- **Straps are fastened correctly every time**
- **The helmet is in good condition and has not been damaged in a previous fall**

Bicycles are designed for one rider only. Carrying passengers on handlebars, luggage racks, or the back of a bike is unsafe and affects balance and control. Pupils should be reminded not to carry friends and to make sensible decisions even if others encourage them to do so.

The roads close to school can become particularly busy at the beginning and end of the school day, with cars, buses, and pedestrians all sharing limited space. Pupils should ride sensibly, stay alert, follow road signs and signals, and clearly signal their intentions when turning. Pupils should not weave in and out of traffic or between vehicles, as this is dangerous, unpredictable, and greatly increases the risk of an accident. Distractions such as mobile phones or headphones should be avoided.

We ask that parents and carers to reinforce these messages at home and check that bikes are roadworthy, with working brakes, lights, and reflectors, especially during darker mornings and afternoons.

Thank you for your continued support in helping pupils travel to and from school safely.

Mrs McKenzie – Assistant Headteacher

DIGITAL SAFETY

In today's digital world, apps are part of everyday life for secondary-age children. They offer creativity, entertainment, and social connection. However, alongside the positives come risks that parents and carers should be aware of.

Understanding the risks

Many apps collect large amounts of personal data, from location details to contacts, often without children realising the implications. Others expose young people to inappropriate or harmful content, whether through unfiltered videos, anonymous chats, or user-generated posts. Bullying and harassment can also take place within these platforms, sometimes hidden from parents and carers' view.

Another concern is the presence of online predators who may disguise themselves as peers in order to exploit children. On top of this, the design of many apps can encourage overuse through constant notifications and endless scrolling which can interfere with sleep, wellbeing, and school performance.

Financial risks also exist, with in-app purchases or "loot box" style features that can tempt children into spending money without fully understanding the consequences. Some apps may even appear harmless but are designed to hide conversations or bypass parental oversight, adding another layer of complexity for families.

Mrs McKenzie – Assistant Headteacher

DIGITAL SAFETY

What parents and carers should look out for

When your child asks to download a new app, it's worth considering a few key questions. What age is the app designed for?

- Does the rating match your child's stage of maturity?
- How much personal data does it request?
- Are the privacy settings easy to control?
- Does the platform have strong moderation and reporting tools?
- What is the community culture like?

You may also want to check how easy it is to make in-app purchases and whether parental controls are built in. Exploring these factors together with your child not only helps you assess the risks but also builds digital literacy, encouraging them to think critically about the online spaces they inhabit.

A trusted resource

To make this easier, **Internet Matters** has put together a clear, parent-friendly guide to the apps and platforms most commonly used by children today. It highlights what each app does, its key features, and the potential risks to be aware of.

You can find the full guide here: [Internet Matters – Apps & Platforms \(11–16\)](#).

This resource is regularly updated, so it's a reliable way to stay informed as new platforms emerge and existing ones evolve.

The NSPCC website also contains helpful advice regarding keeping children safe online - <https://www.nspcc.org.uk/keeping-children-safe/online-safety/>

Practical steps you can take

The most effective safeguard is open communication. Ask your child what apps they use and why, and take time to explore those apps together. Set clear boundaries around screen time and "offline hours" such as at mealtimes or after bedtime. Encourage your child to block or report users who behave inappropriately, and make sure location sharing is switched off unless absolutely necessary.

Apps can be positive spaces where young people learn, create, and connect. But without awareness and guidance, they can also present real risks. By staying informed and keeping conversations open, parents and carers can empower children to use technology safely and responsibly.

Mrs McKenzie – Assistant Headteacher

Monday 23rd March, Spring Concert, 7.00pm, Hall

Wednesday 25th March, Year 8 Consultation Evening, Online from 4.00pm

ATTENDANCE EXPECTATIONS 2025-2026

At John F Kennedy Catholic school, we believe that student performance, behaviour and attendance are fundamentally linked. Our ethos is to maximise the full potential of each student and in order to achieve this, high attendance rates are essential.

Our expectation is that individual student attendance should not be below 95%.

Section 7 of The Education Act states that 'parents are responsible for making sure that their children, of compulsory school age, receive a suitable full time education'.

Section 444 of The Education Act clearly states that 'if a child is absent without authorisation, then the parent is guilty of an offence'. This is a strict liability offence - i.e. all that needs to be shown is a lack of regular attendance. Sanctions can include a fine of up to £1000.

Holidays during Term time

Authorisation of absence for Holidays during term time is at the discretion of the Headteacher and is granted only in exceptional circumstances.

Fines are enforceable for a child being absent from school without permission. This is currently £80 per child for each parent, rising to £160 if paid after 21 days.

Lateness

As stated in the school Attendance Policy:

- Students should attend school "full time" and they should remain in school attending all timetabled lessons. This means that students should arrive in time for registration. In practice school buses may be late and in this case students should sign in at Reception so they can receive their mark.
- Avoidable lateness beyond 9.10 am constitutes unauthorised absence and can legally be the basis of an offence by the parent/carer
- Those students who arrive very late (after 9.10 am) without a good excuse will not be credited with an attendance. Their absence will therefore be unauthorised and a different mark (U) will be used to distinguish them from those who are "unpunctual". Steps will be taken by the school with the support of parents/carers to correct those students who are persistently unpunctual

GENERAL NOTICES

Make a Difference Where It Matters Most —

Become a Foundation Governor!

Are you passionate about helping children thrive? Do you want to use your skills, values, and experience to strengthen your local community? We are looking for inspiring, committed people to join our Local Academy Councils as **Foundation Governors** — and you could be exactly who we need.

The Local Academy Council (LAC) is responsible for supporting the mission and strategic direction of the Catholic Multi Academy Trust (CMAT) at a local level. Rooted in the values and teachings of the Catholic Church, the LAC serves as a key link between the individual academy, its parish community, and the wider Trust. The primary responsibilities of the LAC include:

- **Faithful Stewardship and Ethos:** Uphold and promote the Catholic identity, values, and mission of the academy, ensuring Gospel principles guide all aspects of school life.
- **Advocacy and Governorship:** Act as advocates of the Trust's vision and strategy while serving as Governors for the local academy within the Trust, parish and wider community to build partnerships.
- **Impact and Accountability:** Provide local support and challenge to school leaders by monitoring standards, inclusion, safeguarding, and ensuring effective implementation of Trust policies.

Why this role matters:

Foundation Governors (practising Catholics) play a powerful role in shaping the future of our school. They help protect and promote our values, support our leadership team, and ensure every child has access to an excellent education. Your voice and your perspective can directly influence the school's direction, priorities, and success. There are limited spaces available for parents in their child's school.

No previous governance experience? No problem.

We welcome people from all backgrounds — what matters most is your enthusiasm, willingness to learn, and commitment to our school's ethos. Full training, guidance, and mentoring are provided.

GENERAL NOTICES

We're especially keen to hear from people who:

- Care deeply about the wellbeing and development of young people
- Share and support the school's foundation and values
- Can think strategically and ask thoughtful questions
- Bring experience from any profession or community role
- Want to make a meaningful, lasting contribution

What you'll gain:

- A rewarding leadership role with real impact
- New skills in strategy, education, finance, and governance
- Opportunities to work with dedicated school leaders
- A chance to give back and shape the future of children in your community

Time commitment:

Around 6–8 meetings per year, plus some school visits and training.

GENERAL NOTICES

Road Safety

Parents/Carers are reminded about the importance of road safety and we highlight a number of points you may wish to discuss with your child:

- The importance of crossing the road at a safe place. Using either a zebra or pelican crossing where possible
- Avoid crossing behind parked cars
- Never run out into the road
- Be aware of your surroundings – take out earphones and stop talking with friends or on the phone when crossing the road
- Have reflective items on jackets or bag.
- If cycling, follow the same instruction and make sure you have lights on your bike and wear a helmet at all times.

Disabled Parking Zones

Please can we ask that the disabled parking bays located along Hollybush Lane be kept clear . They are marked on the path and are needed to be accessed by local residents.

JFK enjoys good relationships with our neighbours and local community. Please be mindful of driveways and access in Hollybush Lane and neighbouring roads if dropping off/picking up your child from school. **Please also try and avoid leaving your car engines running outside of school.**

GENERAL NOTICES

Appointments During School

Please try to avoid making medical appointments during the school day. If this is not possible, please alert the Year Team via email with confirmation of the appointment letter/ email/screenshot at least 24 hours in advance.

If your child does need to leave for a pre-arranged medical appointment please ensure that they are aware of the time and date of the appointment and are instructed to be ready in reception to be collected. There have been a number of occasions recently whereby the office staff have had to search for a student in order for them to be picked up.

Illness During the School Day

We have seen an increase in students calling parents prior to seeking medical attention at school. Any student feeling unwell during the school day should report to Student Services where they will be seen by a medically trained member of staff. Please do impress upon your children the importance of the school contacting home if it is required during the school day. It can cause parents unnecessary worry which we would like to avoid.

ABSENCE

If your son/daughter is going to be absent due to illness please telephone the school absence line by 9.00am on each day of absence.

Year 7 01442 229105 (year7@jfk.herts.sch.uk)
Year 8 01442 229124 (year8@jfk.herts.sch.uk)
Year 9 01442 229131 (year9@jfk.herts.sch.uk)
Year 10 01442 229132 (year10@jfk.herts.sch.uk)
Year 11 01442 229136 (year11@jfk.herts.sch.uk)
Sixth Form 01442 229137 (6thform@jfk.herts.sch.uk)

Students should bring a letter explaining their absence on their return to school.

FLU VACCINATIONS

Vaccination UK

Respiratory and flu-like cases are rapidly on the rise. We urge you to ensure your child receives the flu vaccination. You have a choice between the quick and painless nasal spray or the Injection which is porcine & gelatine free. This not only protects your children against being seriously ill but also protects vulnerable members of your family and community.

We have several community catch-up clinics available. Please use the link below to book an appointment.

[Vaccination UK Immunisation](#)

If you previously declined consent for your child when we visited the school, you **can change** your consent. Please call our office on 01462 427008, and we will book a clinic appointment for you.

Thank you for your support.
