John F Kennedy Catholic School

2nd October 2026

Our theme of the week was 'Action' and was an obvious response to last Sunday's Gospel reading, which included the parable of the two sons. This parable has a clear message for our students: actions speak louder than words. In assemblies this week, Mr Jones, our new Assistant Headteacher, unpacked the parable, exploring what it teaches us and offering a challenge to our students.

In the parable a vineyard owner asks each of his two sons to work on the land. The first son immediately says, "No, I won't go." However, after some reflection he decides to go and work in the vineyard. The second son's response is to say "Yes." But he doesn't turn up to work. Having told the parable, Jesus asks his disciples, "Which of the two sons did the will of the father?" The answer, of course, is the first son - despite his initial negative response, he did go to work, as he had been asked.

In a big community and a busy environment, within the school day, our students are given numerous instructions every day - in lessons, in assemblies, in moving around the site, in their free time. A harmonious community exists when everyone follows the rules and responds positively to instructions - when everyone says 'yes' and goes on to do the right thing. However, from time to time, we might find a student who chooses not to follow the rules, but, as a result of some 'counselling', he or she changes their mind and makes the right choice. The process of education in school involves helping our children learn and grow in their knowledge of the world and their ability to thrive in community. They are all human and therefore liable to make mistakes and our ethos of compassion and forgiveness aims to provide a space in which to rethink decisions and do the right thing.

The second son in the parable exemplifies a real bugbear of mine, both in school and in the world at large: people who don't commit to doing what they said they would do, people who let others down. One of the most important qualities in an employee is reliability - being at work, on time, and working to the best of their ability. The same expectation is what we present to our students - it enables our students to achieve their best and our community to develop. As I say regularly to our students, the 'achieve' in our mission statement is an aim to be *your* best in whatever aspect of school life you are involved, giving it your full effort and not letting others down. And I am always heartened by the wonderful commitment our students demonstrate each day.

Mr Jones reflected on the JFK Spirit learning habits, and how 'integrity' is a great test of the moral of the parable: matching one's words to one's actions and doing the right thing when no one is watching!

ST CARLO ACUTIS MISSION

I received a hand-written card last week from Archbishop Richard Moth, Archbishop of Westminster. He thanked me for the warm welcome to JFK for the Mass that launched the St Carlo Acutis Mission that was held in the Catholic schools of Dacorum and the parishes of Hemel West and Hemel East. We were very honoured to receive the relics of St Carlo, the first millennial saint in the Church. A Mission Team, led by Monsignor Anthony Figueiredo from Assisi, visited Hemel Hempstead and Berkhamsted for the week.

At JFK, the Mass was attended by students from JFK and other ASCAT schools, together with staff, governors and local parishioners, and was live-streamed for others to follow. Following the Mass, Monsignor Anthony led presentations for all year groups, assisted by Mission Team members Gwen and Jackie. They shared details of St Carlo's life and his commitment to his faith and introduced everyone to the relics, which included a piece of his pericardium. At lunchtime everyone was welcome to visit St Mark's church, to venerate the relics and to write down the names of people they wished St Carlo to pray for. All the names were to be taken back to Assisi and placed underneath St Carlo's tomb.

This really was a special day in school. Monsignor Anthony praised the students he addressed in his presentations and those he met during the day. Similarly Archbishop Richard thanked the Senior Student Leadership Team for their welcome and kindness.

SIXTH FORM

Year 12 Opportunities: Building Leadership, Empathy, and Enterprise

It has been a busy start to the term for Year 12, with a fantastic range of enrichment and leadership opportunities taking shape across the year group:

- **Dragons' Apprentice Award:** We are thrilled to announce that 8 student teams have applied for this year's challenge. Unfortunately only 4 teams can be shortlisted. The competition is led by Community Action Dacorum. Officially launching on Monday 28th September, our young entrepreneurs will work alongside local business mentors (Dragons) to turn £100 of seed money into £1,000 or more for local charities.
- **Lessons from Auschwitz Project:** Students have had the opportunity to sign up for this transformative program run by the Holocaust Educational Trust. A group of our Year 12s will participate in educational seminars culminating in a poignant day trip to Poland on Wednesday 21st October.
- **Level 2 Sports Leaders Award:** Our prospective leaders have been introduced to the Level 2 Sports Leaders Qualification. Taking place on a weekly basis, this course allows students to develop essential communication, organisation, and teamwork skills through sports coaching.

We encourage all Year 12 students to keep throwing themselves into these extracurricular pathways—each provides invaluable experience to highlight on future university applications and CVs.

UCAS Personal Statement Support for Year 13

Our Year 13 students recently received expert guidance on crafting competitive UCAS personal statements. Guest speaker Alison Moore from the University of Hertfordshire led an interactive session breaking down the ideal structure, content, and tone required for a standout application.

To build on this session, students were offered tailored one-to-one support sessions, receiving constructive, individual feedback to help refine, edit, and strengthen their personal statement drafts.

SIXTH FORM

This week, we were proud to host the official launch of the Dragon's Apprentice Challenge, led by Cindy Withey and run by Community Action Dacorum. The event brought together 17 student teams from across the area, all eager to put their business savvy and community spirit to the test.

JFK is entering four strong Sixth Form teams into this year's competition, each paired with a local business mentor (a "Dragon") and a partner charity:

- Chrome X – Mentored by Fleetlee, supporting Goods for Good
- Apollo – Mentored by Paul Reynolds, supporting Waterways Experiences
- Team Firefly – Mentored by Cardo Group, supporting CAD - Training & Development
- The Changemakers – Mentored by Al Onion, supporting The Heather Club

Our teams will now turn seed capital into real fundraising results for their designated charities over the coming months. We wish all our Sixth Form entrepreneurs the best of luck as they step up to the challenge!

MUSIC

Monday 19th October - Solos Concert 7pm JFK Hall

This is an opportunity for students to perform a solo piece, with accompanist, to an audience in a relaxed and encouraging setting. Students will have received an email inviting them to play (as recommended by their instrumental teachers) but if your son/daughter would like to take part please email kmetcalfe@jfk.herts.sch.uk. It is hoped that there will be another solos concert later in the year thus giving everyone who wishes the opportunity.

Monday 7th December - Christmas Concert - 7pm JFK Hall

This will be a wonderful evening bringing together musicians from the chamber choir, orchestra, rock bands, soloists, and the Year 7 Singers. Information regarding tickets will be sent after the half term holiday but please put the date in your diary!

JFK PE FIXTURE INFORMATION

What you need to know

1 HOW TEAMS ARE SELECTED

- Teams are usually selected after training.
- Selection can depend on effort, attitude, attendance, performance and the needs of the team.
- Good behaviour in school matters – representing JFK is a privilege.
- Poor behaviour in school may mean you are not selected.
- We want students who represent the values of JFK.

2 WHERE TO FIND FIXTURE INFO

- Check Google Classroom.
- Check the school calendar.
- Details will include: opposition, venue, times and the squad selected.
- Students must share fixture information with home.

3 ON THE DAY

- Bring the correct kit and equipment.
- Bring any medication you need, such as inhalers or EpiPens.
- Bring a drink and be ready to go.
- Unless PE staff tell you otherwise, stay in lessons until normal release.

4 TRAVEL & COLLECTION

- Away fixtures travel by school minibus or approved staff vehicle.
- Return to JFK is usually between 5-6pm depending on traffic and location.
- Text home with an ETA when we leave if possible.
- You may only leave from an away venue if PE staff have permission from home.

5 REMEMBER

- Show respect, sportsmanship and great behaviour.
- Tell PE staff if you should not be in photos.
- Follow staff instructions at all times.

RESPECT
SPORTSMANSHIP
TEAMWORK
POSITIVE ATTITUDE

Play hard. Be prepared. Represent JFK with pride.

LIBRARY

It's been brilliant to add plenty of fantastic new books to the Library collection, courtesy of the National Year of Reading 2026 grant. New manga has been flying off the shelves and there have been requests for new books each day so I am keeping busy! One book which has caught my eye has been the Japanese bestseller We'll prescribe you a cat by Syou Ishida, definitely a cozy-sounding book to curl up with when the weather gets colder.

Ten new Library Ambassadors from Y8 have all successfully completed their first week of volunteering and they have been brilliant! They will be getting involved with planning competitions and recommending reads to other students, as well as the all-important issuing and returning of books. I am really grateful to have their help and enthusiasm and their insight into the best reads for pre-teens and teens. Of course, the Y9 & 10 Ambassadors continue to be brilliant too!

Finally, chess is all over the Library most lunch times as students battle it out or just play to improve their skills. I'm hopeful we can begin an informal Chess Club soon to cater for all the keen players. It's a great way to relax and have a break during a busy school day.

Here's a question to think about with your child: do they know which Netflix series were books before they reached the screen? Answers coming to a Library display very soon...

Mrs Powell - Librarian

ENGLISH

In the summer term, some of our Key Stage 3 classes took part the Great Writing Debate, organised by Pilot. This involved taking part in some research in one lesson, seeing whether planning on paper made for more successful writing than simply getting going on a word processor.

The students provided feedback to Pilot on their experiences, and last week we found out we had won the prize draw to receive over £1000 worth of stationery from Pilot!

Thanks to all of the students who took part and made this possible!

GENERAL NOTICES

Appointments During School

Please try to avoid making medical appointments during the school day. If this is not possible, please alert the Year Team via email with confirmation of the appointment letter/email/screenshot at least 24 hours in advance.

If your child does need to leave for a pre-arranged medical appointment please ensure that they are aware of the time and date of the appointment and are instructed to be ready in reception to be collected. There have been a number of occasions recently whereby the office staff have had to search for a student in order for them to be picked up.

Illness During the School Day

We have seen an increase in students calling parents prior to seeking medical attention at school. Any student feeling unwell during the school day should report to Student Services where they will be seen by a medically trained member of staff. Please do impress upon your children the importance of the school contacting home if it is required during the school day. It can cause parents unnecessary worry which we would like to avoid.

ROAD SAFETY

Parents/Carers are reminded about the importance of road safety and we highlight a number of points you may wish to discuss with your child:

- The importance of crossing the road at a safe place.
- Using either a zebra or pelican crossing where possible
- Avoid crossing behind parked cars
- Never run out into the road
- Be aware of your surroundings – take out earphones and stop talking with friends or on the phone when crossing the road
- Have reflective items on jackets or bag.
- If cycling, follow the same instruction and make sure you have lights on your bike and wear a helmet at all times.

JFK enjoys good relationships with our neighbours and local community.

Please be mindful of driveways, access and residential parking areas in Hollybush Lane, Long Chaulden, Boxted Road and neighbouring roads if dropping off/picking up your child from school.

Please also try and avoid leaving your car engines running outside of school.

Disabled Parking Zones

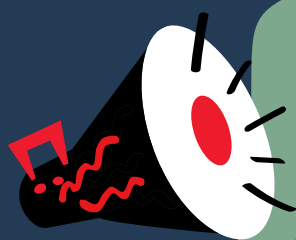

Please can we ask that the disabled parking bays located along Hollybush Lane be kept clear. They are marked on the path and are needed to be accessed by local residents.

Cycling to and from school

A reminder to students that you must dismount before entering the school grounds and walk your bicycle in.

SAFEGUARDING IN FOCUS

At John F Kennedy Catholic School, safeguarding is at the heart of everything we do, and we work hard to ensure that every child feels safe, supported and listened to within our school community.

Our safeguarding team plays a vital role in this work. The team works closely with students, families, staff and external agencies to promote a culture where safeguarding is everyone's responsibility. Students and families can reach out to the safeguarding team for support. We recognise that parents and carers are key partners in safeguarding. We encourage families to familiarise themselves with our safeguarding approach, policies and procedures, which are available on the school website:

[Safeguarding information and policies](#)

In addition, the school provides a range of supportive links and resources for students and families, covering areas such as mental health, online safety, wellbeing and external support services:

[Support for students and families](#)

If you ever have a safeguarding concern, no matter how small it may seem, we urge you to share it. Concerns can be raised confidentially by emailing:

staysafe@jfk.herts.sch.uk

Letting us know about concerns, however small they may seem, allows us to offer the right support when it is needed. Working closely with families helps us maintain a safe, inclusive and caring school community where every child can feel secure and valued.

ATTENDANCE

Supporting Every Student's Journey

"I have come that they may have life, and have it to the full." — John 10:10

At the heart of our Catholic community is the belief that every child is a unique gift from God, blessed with individual gifts and talents. Our mission is to nurture the whole child—spiritually, academically, and emotionally—so they can flourish and thrive.

To truly experience "life to the full" within our school community, consistent attendance is vital. When your child is here, they aren't just attending lessons; they are building friendships, growing in faith, and developing the resilience they need for the future.

Working in Partnership

We understand that life can sometimes bring challenges that make school attendance difficult. Whether it is a health concern, anxiety, or a change in family circumstances, please know that you are not alone.

In line with the latest Department for Education guidance, we believe that attendance is a shared responsibility. Our goal is to work in partnership with families to remove any barriers your child may be facing.

How We Can Help

The best time to reach out is always the early stage. If you notice your child is reluctant to attend or is struggling, please don't wait for the situation to escalate.

- **Early Conversation:** A simple phone call to your child's Achievement Team can start a supportive dialogue.
- **Tailored Support:** We offer a range of internal pastoral support, from mentoring to counselling and mental health support.
- **Our Online Support Hub:** We have a dedicated Attendance page on our school website. This includes practical tips, links to external wellbeing resources, and a clear guide on how we work with families to improve attendance.

[Attendance JFK Website](#)

By working together we ensure that every student feels safe, valued, and ready to learn.
