Student Leadership Team

Emilia Blasi-Colleran
Achieve Leader

Hi I'm Emilia! As Student Senior Leadership Team (SSLT) and Achieve Leader, I am committed to helping every student reach their full academic potential while ensuring that all voices are heard and valued. I believe our school should be a place where everyone feels safe, respected and included, regardless of their background, beliefs or identity. I want every student to feel confident in being themselves, ready to learn and proud of who they are. Together, we can create a positive environment where kindness, ambition and leadership are celebrated. Remember, you all have the ability to be role models and make a difference in our school community.

Adam Kandiah
Serve Ethos Leader

Hey everyone! I'm Adam and I'm the Serve Ethos leader at JFK. I'm very excited to start supporting the school, mainly with our leadership formation programs and assemblies, but also supporting all of you in general. Supporting you not just to succeed, but to strive for greatness whether that be in academics or in other ways. I'm usually in the church if you want to talk about ideas, improvements, opportunities or just to talk about sixth form life. So whether it's looking into a leadership role or getting involved with the various clubs at JFK, I say make the most of it and strive to bring your best everyday. Greatness breeds greatness! See you in September.

Jakub Pawlina
Inspire Leader

Hi, I'm Jakub, and I am honoured to be taking on the role of Inspire Lead in the Senior Student Leadership Team. My role will be to help all students at JFK develop their Catholic faith, supporting them as they grow in their understanding of their faith and their relationship with God. I will work closely with the chaplaincy team at St Mark's, helping with daily prayer and adoration. I hope that, by the end of the year, the rest of the SSLT and I will have helped you grow into more well-rounded individuals as you continue to develop into young adults.

Andrew Hope
Serve Charity Leader

Hi I'm Andrew, and I am the new Senior Student Leader for Serve Charity and I am excited to begin supporting the school with its charity work and helping it develop its connections with local charities that work so hard to improve the lives of those in our community. I am hopeful to ensure students working on charity projects, like students who wish to partake in the Dragons Apprentice competition in October, will have the support they need. I am really happy to be able to support all of you who are considering the move into sixth form at JFK and I hope to see all of you in September!
