John F Kennedy Catholic School

23rd October 2026

At the start of my MA dissertation I quoted from last Sunday's Gospel reading:

'Render unto Caesar what is Caesar's and to God what is God's.'

It's a classic quote in UK Catholic education circles. In the Gospel the Pharisees - the Jewish experts in the law - were trying to catch Jesus out. "Is it right that we pay taxes to Caesar?" they asked. Jesus asked for the coin they used to pay the tax. A denarius was presented to him. "Whose head is on the coin?" Jesus asked. "Caesar's" was the reply. Jesus's response: "Then pay to Caesar what belongs to Caesar and to God what is God's."

In the UK's Catholic schools this is a nice biblical reminder of the dual responsibility we have: to the state, because it funds our schools; and to God, because he provides the ultimate purpose for our educational efforts. It is right therefore that we be subject to Ofsted, as all state schools are, but it is also necessary to have CSI inspections to check on the quality of our RE provision and our faithfulness to Catholic life and mission.

This may well not feel relevant to the lives of our students - until we break it down into more concrete terms. We want them to have the best qualifications possible and to have developed personally, through involvement in a wide range of extra-curricular activities, PSHE and careers education and leadership opportunities. But more importantly than all those is the development of a set of values that will guide them through life - the Christian values that underpin Jesus' command to love one's neighbour as oneself - the way we believe they will make the right difference to the world beyond the gates of JFK.

The Gospel reading provided our theme for the week: obedience. This is most obviously related to following rules. School rules aim to create an orderly environment that 1000 people can share efficiently each day, but when we say 'think kindness and choose respect' we are talking more about obedience to Christ's teachings than an adherence to a set of practical expectations. In assemblies this week I talked about the secular world and a life of faith being able to coexist. At JFK I hope our students can experience that - with great learning opportunities and personal development opportunities alongside a rich offer to engage with and develop a greater understanding of the Catholic faith. All these things, kept in balance, will provide solid foundations for a fulfilling life ahead.

This last week of the half term has included some very proud moments:

- The soloists' concert on Monday evening was excellent, providing the chance for our talented musicians to perform in public, which for most is a rare opportunity. Thanks to Mrs Metcalfe for her support for the varied music life of the school.

- Our Diocesan Advisor, having made her annual visit to assess the work of the RE department and the Catholic life and mission of the school, commented on the superb work being done in RE and the quality of our youth ministry programmes, the likes of which she has not seen in any other schools.
- The CEO of the Trust, Stephen Wheatley, met with a group of students from different year groups to obtain some student feedback on life in school and their dreams for the future. This was set in the context of the future plans for the Trust's development. Stephen told me that the students were amazing in the way they engaged with the meeting and spoke so confidently. It was, he said, the best one of these student meetings he has held.
- Year 9 had the launch of this year's First Give charity programme. Each form group showed excellent engagement with the tasks involved and their compassion for those in need was heart-warming. Each form has now chosen a charity that they will be supporting over the next half term.
- 20 Year 12 students applied to be Deputy House Captains and I had the great pleasure to help with the interviews. These students presented themselves extremely well, showing enthusiasm for this next level of student leadership, and clearly having benefitted from opportunities earlier on in their school careers. Our student leadership has gained great momentum over the past few years and I am excited to see the next generation of leaders take over.

Mr Neves - Headteacher

PSHE

Students have been working hard this term in PSHE and have learned a lot of Relationships (Y7-10) and Living in the Wider World (Y11).

This week, Y9 have the launch day for their First Give Project. This is a project we have been running for a number of years now, where forms are given the chance to choose a local charity, raise awareness of that charity through an Action Day and then give a presentation nearer to Christmas in front of judges explaining what they have been up to.

The winning form has the opportunity to receive £1000 for their charity. Each year, we see the creativity and innovation of our students as well as their kindness and compassion to others. We will keep you posted via the @pshe.jfk Instagram account and through the newsletter.

Year 7 will be starting their Physical Health Topic which will involve First Aid, a workshop from Herts Young Homeless, Hygiene and Staying Safe and and About.

Year 8 will start the brand new Digital Citizenship unit, which is part of the new Statutory Guidance of RSE from the Government in July 2026. They will cover Online Scams, Countering Misinformation and Disinformation, Social Media and looking at the benefits and pitfalls of Artificial Intelligence.

Year 10 will begin their Relationships and Sex Education Unit and a letter has been sent home to Year 10 Parents with more information on this.

Year 11 in the run up to their Mock Exams in November will be looking at Mental Health and in particular dealing with stress.

After half term, there will be a consultation on the new RSE policy so please look out for that as all feedback is welcome.

If you have any questions about PSHE at JFK, please do not hesitate to contact me.

Mrs Holton - Subject Leader PSHE

LIBRARY

Chess, chess and more chess! Piano recitals, record borrowing stats and new books joining the Library shelves every week!

These are just a few of the many wonderful things which have been happening at the Library over the last half term.

The pictures tell some of the story, but it has been so encouraging to see the Library full with students queuing to borrow the new books, competing at chess as well as finding a place to relax with their friends. Highlights have included four Y9 Manga experts taking part in a nationwide Manga Mania quiz in which we came a respectable half way out of over 80 schools (some of the questions were very hard!) and listening to a few students play the piano during Friday break times. We've welcomed Mrs Cole and her Craft Club every other Wednesday lunch time for Y7 and Chess Club, run by Y11 and Y13 students during Thursday lunch times. In between all of that the Library Ambassadors have been doing a sterling job returning and issuing books and designing new posters and competitions!

There's plenty to look forward to when we return in November: non-fiction November when I'll be showcasing the best non-fiction books the Library has to offer, cozy read suggestions for the chillier weather and of course, the highly anticipated (or is that just me?!) chocolate coin competition towards the end of the year.

MUSIC

Solos Concert

Monday evening saw the first of our termly Solos Concerts. Graham Thomson, the judge from Battle of the Bands in March, came to work with the students during the day giving them the opportunity to work with an accompanist ahead of the evening. Twelve of our music students performed solo pieces to an audience of family and friends. We were treated to violin pieces from across the grade range, all delivered beautifully and received with spontaneous applause. There was Mission Impossible played on the flute, beautiful songs and a variety of piano solos, all played and sung with great attention to detail. A performance of the Bare Necessities ended the evening and sent us all away with a cheerful spring in our step - music is a great tonic at the end of a busy day!

The solos concerts give students of all ages and stages in their music-making a chance to perform to a small and supportive audience. It's an opportunity to play an exam piece, a GCSE piece or something new that you'd like to try out in public for the first time. There will be one arranged each term giving as many students the chance as possible over the year.

JFK PE FIXTURE INFORMATION
What you need to know

JFK PE DEPARTMENT
TEAMWORK
RESPECT
DETERMINATION
BELONGING

- 1 HOW TEAMS ARE SELECTED**
 - Teams are usually selected after training.
 - Selection can depend on effort, attitude, attendance, performance and the needs of the team.
 - Good behaviour in school matters – representing JFK is a privilege.
 - Poor behaviour in school may mean you are not selected.
 - We want students who represent the values of JFK.
- 2 WHERE TO FIND FIXTURE INFO**
 - Check Google Classroom.
 - Check the school calendar.
 - Details will include: opposition, venue, times and the squad selected.
 - Students must share fixture information with home.
- 3 ON THE DAY**
 - Bring the correct kit and equipment.
 - Bring any medication you need, such as inhalers or EpiPens.
 - Bring a drink and be ready to go.
 - Unless PE staff tell you otherwise, stay in lessons until normal release.
- 4 TRAVEL & COLLECTION**
 - Away fixtures travel by school minibus or approved staff vehicle.
 - Return to JFK is usually between 5–6pm depending on traffic and location.
 - Text home with an ETA when we leave if possible.
 - You may only leave from an away venue if PE staff have permission from home.
- 5 REMEMBER**
 - Show respect, sportsmanship and great behaviour.
 - Tell PE staff if you should not be in photos.
 - Follow staff instructions at all times.

**RESPECT
SPORTSMANSHIP
TEAMWORK
POSITIVE ATTITUDE**

Play hard. Be prepared. Represent JFK with pride.

GENERAL NOTICES

Appointments During School

Please try to avoid making medical appointments during the school day. If this is not possible, please alert the Year Team via email with confirmation of the appointment letter/email/screenshot at least 24 hours in advance.

If your child does need to leave for a pre-arranged medical appointment please ensure that they are aware of the time and date of the appointment and are instructed to be ready in reception to be collected. There have been a number of occasions recently whereby the office staff have had to search for a student in order for them to be picked up.

Illness During the School Day

We have seen an increase in students calling parents prior to seeking medical attention at school. Any student feeling unwell during the school day should report to Student Services where they will be seen by a medically trained member of staff. Please do impress upon your children the importance of the school contacting home if it is required during the school day. It can cause parents unnecessary worry which we would like to avoid.

Absence	 
Year 7	01442 229105 year7@jfk.herts.sch.uk
Year 8	01442 229124 year8@jfk.herts.sch.uk

ROAD SAFETY

Parents/Carers are reminded about the importance of road safety and we highlight a number of points you may wish to discuss with your child:

- The importance of crossing the road at a safe place.
- Using either a zebra or pelican crossing where possible
- Avoid crossing behind parked cars
- Never run out into the road
- Be aware of your surroundings – take out earphones and stop talking with friends or on the phone when crossing the road
- Have reflective items on jackets or bag.
- If cycling, follow the same instruction and make sure you have lights on your bike and wear a helmet at all times.

JFK enjoys good relationships with our neighbours and local community.

Please be mindful of driveways, access and residential parking areas in Hollybush Lane, Long Chaulden, Boxted Road and neighbouring roads if dropping off/picking up your child from school.

Please also try and avoid leaving your car engines running outside of school.

Disabled Parking Zones

Please can we ask that the disabled parking bays located along Hollybush Lane be kept clear. They are marked on the path and are needed to be accessed by local residents.

Cycling to and from school

A reminder to students that you must dismount before entering the school grounds and walk your bicycle in.

- Thursday 3rd December, Year 10 BTEC Travel & Tourism Trip

SAFEGUARDING IN FOCUS

At John F Kennedy Catholic School, safeguarding is at the heart of everything we do, and we work hard to ensure that every child feels safe, supported and listened to within our school community.

Our safeguarding team plays a vital role in this work. The team works closely with students, families, staff and external agencies to promote a culture where safeguarding is everyone's responsibility. Students and families can reach out to the safeguarding team for support. We recognise that parents and carers are key partners in safeguarding. We encourage families to familiarise themselves with our safeguarding approach, policies and procedures, which are available on the school website:

[Safeguarding information and policies](#)

In addition, the school provides a range of supportive links and resources for students and families, covering areas such as mental health, online safety, wellbeing and external support services:

[Support for students and families](#)

If you ever have a safeguarding concern, no matter how small it may seem, we urge you to share it. Concerns can be raised confidentially by emailing:

staysafe@jfk.herts.sch.uk

Letting us know about concerns, however small they may seem, allows us to offer the right support when it is needed. Working closely with families helps us maintain a safe, inclusive and caring school community where every child can feel secure and valued.

ATTENDANCE

Supporting Every Student's Journey

"I have come that they may have life, and have it to the full." — John 10:10

At the heart of our Catholic community is the belief that every child is a unique gift from God, blessed with individual gifts and talents. Our mission is to nurture the whole child—spiritually, academically, and emotionally—so they can flourish and thrive.

To truly experience "life to the full" within our school community, consistent attendance is vital. When your child is here, they aren't just attending lessons; they are building friendships, growing in faith, and developing the resilience they need for the future.

Working in Partnership

We understand that life can sometimes bring challenges that make school attendance difficult. Whether it is a health concern, anxiety, or a change in family circumstances, please know that you are not alone.

In line with the latest Department for Education guidance, we believe that attendance is a shared responsibility. Our goal is to work in partnership with families to remove any barriers your child may be facing.

How We Can Help

The best time to reach out is always the early stage. If you notice your child is reluctant to attend or is struggling, please don't wait for the situation to escalate.

- **Early Conversation:** A simple phone call to your child's Achievement Team can start a supportive dialogue.
- **Tailored Support:** We offer a range of internal pastoral support, from mentoring to counselling and mental health support.
- **Our Online Support Hub:** We have a dedicated Attendance page on our school website. This includes practical tips, links to external wellbeing resources, and a clear guide on how we work with families to improve attendance.

[Attendance JFK Website](#)

By working together we ensure that every student feels safe, valued, and ready to learn.

COMMUNITY

ST THOMAS MORE CELEBRATES

Dear Parents, Carers, Staff and Friends of St Thomas More,

This academic year, we are celebrating 90 years of St Thomas More Catholic Primary School and 60 years at our home on Greenway.

We would love our current families, staff, former pupils and wider community to be part of this special year. It is an opportunity to celebrate the school's history, reconnect with old friends and look ahead to what we can build together for future generations.

Our Catholic faith is at the heart of St Thomas More. Across the generations, our school has been shaped by people who have cared for its children, supported its work and helped it grow. We hope the anniversary will bring many of those people together again.

Share your memories and help us reconnect

We are launching a St Thomas More Alumni & Friends network, open to former pupils, parents, staff, governors and others with a connection to the school.

If you would like to join, please complete our short form:

[St Thomas More – Alumni & Friends](#)

We would also love to collect photographs and memories from across the years. These could include a favourite teacher, a school performance, a memorable trip or an everyday moment that has stayed with you. Please contact alumni@stmore.herts.sch.uk if you have something to share.

If you know someone with a connection to St Thomas More, please pass this letter on.

Celebrating together

Our first event will be an informal Alumni Drinks Evening at school on **Friday 13 November, from 7.00–9.30pm.**

We warmly welcome former pupils, parents and staff, alongside current families and friends of the school, to reconnect and share memories. There will be photographs and memories on display, and I will say a few words about the school's future.

Please save the date. A separate invitation will follow shortly with details of how to let us know you are coming.

We are also planning a larger anniversary celebration later in the academic year and will share more details once these are agreed.

Looking ahead

Alongside the celebrations, we are developing plans for a St Thomas More Development Fund to support the school for current and future pupils. Governors are working with us to agree what the fund will support, a fundraising target and how donations will be managed. We will share these details before launching an appeal.

We would also welcome current parents who would like to become Parent Ambassadors, helping us welcome prospective families, share the school's story and strengthen our connections in the community. Please contact the school office if you are interested.

Thank you to everyone who contributes to the life of St Thomas More. We look forward to hearing your memories and celebrating this anniversary year together.
